13. Purpose Of Study

Why do you want to do this programme?	I want to do Radio (Foundation Skills) programme, because I am studying media as one of my major in university and I would like to try different area of media including radio and also screen production. And I think that is a good opportunity for me to gain deeper understanding of more practical radio at this age.
What do you want to do when you have finished the programme?	I have interest in radio but I cannot be sure will I do it for my future because I have not really understand or learn it before. But after the programme I will continue my study in university and I wish I could find some related part time job. And build my path to my future career.
